Profile

Brand strategist with nine years across retail, wellness and outdoor brands. I turn fuzzy positioning into a story the whole company can repeat: research that finds the real customer tension, a message architecture teams actually use, and tracking that shows whether it moved. Ready to lead a brand team of five to ten people.

Experience

Senior Brand Strategist
Feb 2023 – Present
Maison Verde, Montréal

- Lead brand strategy for four product lines at a 38-store beauty and wellness retailer.
- Repositioned the skincare line; **unaided awareness rose from 11% to 19%** in 18 months.
- Built a quarterly brand-tracking programme (2,400 respondents) now used in board reporting, and manage a team of three.

Brand Manager
Jun 2020 – Jan 2023
Nordique Cycles, Montréal

- Relaunched the urban e-bike range; **qualified leads rose 34%** in the first season.
- Consolidated the agency roster from six partners to three, **saving CA$180,000 a year**.
- Ran 60 customer interviews that reshaped the pricing architecture.

Marketing Strategist
Aug 2017 – May 2020
Studio Lumière, Montréal

- Planned brand and campaign strategy for 15 clients across retail, hospitality and education.
- Led positioning workshops with founders and leadership teams; two resulting campaigns won regional awards.
