Rajiv Menon

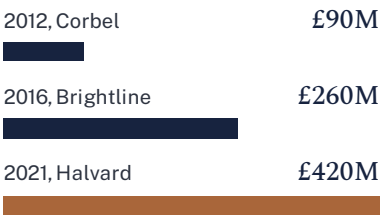

Finance Director

rajiv@rajivmenon.co.uk
+44 20 7946 0455
London, United Kingdom

Profile

Finance director with 19 years across audit, FP&A and group finance, the last five on the board of a £420M listed industrial technology group. I run finance as a commercial partner: a forecast the CEO trusts, capital allocated against returns, and a team that closes the books in five days. Looking for a CFO role at a growth-stage or private-equity-backed business.

Revenue in scope

Experience

Finance Director

Halvard Technologies plc, London

Jan 2021 – Present

Revenue
£420M

Finance team
38 in four countries

Reports to
Chief Executive

- Lead finance, treasury, tax and investor relations for a listed industrial technology group operating in nine countries.
- Refinanced the group with a £150M revolving credit facility priced 35 basis points tighter than the one it replaced, closed in nine weeks.
- Completed two acquisitions worth £62M in total and integrated both finance functions within six months.
- Introduced a rolling 18-month forecast; full-year EBITDA has landed within 2.1% of guidance three years running.

Group Financial Controller

Brightline Retail Group, Manchester

Mar 2016 – Dec 2020

Revenue
£260M

Legal entities
9

Reports to
Chief Financial Officer

- Owned statutory reporting, consolidation and the audit relationship for nine legal entities.
- Led the IFRS 16 transition and cut month-end close from twelve to five working days.
- Brought treasury in-house, centralising cash across nine entities and releasing £6.5M of trapped working capital.
- Built the group's first capital-approval framework, with return thresholds by project type, and ran the sale of a £34M non-core division.

Head of FP&A

Corbel Foods plc, Bristol

Sep 2012 – Feb 2016

Budget owned
£90M

Team
6

- Rebuilt annual planning around driver-based models, cutting the planning cycle from 14 to 8 weeks.
- Partnered with commercial directors on pricing, mix and promotions, adding £3.8M a year to gross margin.
- Built the group's first customer-profitability model across 14 product categories, used to remove 90 low-margin SKUs.

Earlier experience

Audit Associate to Senior Manager

Aldgate & Pryce LLP, London

- Led audits for 12 listed and private clients in manufacturing and retail, managing teams of up to eight.
- Qualified as a chartered accountant in 2010 and moved into the firm's transaction services group in 2011.
- Delivered due diligence on six acquisitions, the largest valued at £140M.

Sep 2007 – Aug 2012

Clients
12

Largest team
8
