SYNTHETIC SAMPLE / PREVIEW PIPELINE TEST

JORDAN AVERY

PRODUCT DESIGNER | DESIGN SYSTEMS & GROWTH

jordan.avery@example.test | +1 202-555-0143 | jordan-avery.example.test

PROFILE

Product designer focused on clear, accessible experiences and practical design systems. This fictional CV was created solely to test private PDF upload and image-preview generation.

EXPERIENCE

Northstar Product Lab

Senior Product Designer | 2022 - 2025 | Remote

- Led an onboarding redesign across four product teams; synthetic case study reported an 18% lift in completion.
- Built a shared component library and accessibility review checklist for product launches.

Fieldnote Studio

Product Designer | 2019 - 2022 | Portland, OR

- Shaped research-backed flows for a fictional small-business planning product.
- Partnered with engineering and research to simplify core task completion.

SELECTED PROJECTS

Onboarding Clarity Kit

A fictional pattern library for first-run product guidance and setup.

Research Notes Workspace

A sample responsive interface for organizing interview findings.
